To President Gloria Macapagal-Arroyo

We respectfully appeal to you that a thorough investigation into the murder of ROGELIO BACUS ESTUDILLO,SR.,the Barangay Captain of Kinapat, Damulog, Bukidnon be vigorously pursued. We understand that Mr Estudillo was shot at his residence at about 7.30pm on January 4th 2007.

We write, knowing of the humanitarian work of Mr Romeo Tiongco of the Muslim Christian Agency for Advocacy Relief and Development [MuCAARD], a close friend of the deceased. Mr Tiongco is challenging the incumbent mayor of Damulog in the May elections this year. The victim at the time he was killed was helping as political organiser for Mr Tiongco.

Mr Tiongco made many friends while working in UK for 17 years. He is held in great respect and affection for his integrity, belief in non violence and contribution to our community. We are concerned for his safety at this time when he has responded to requests to stand in the elections. Our knowledge of and respect for your country stems from our contact with Mr Tiongco and we write in a spirit of friendship for the Phillipines.

We respectfully request that you facilitate both the investigation into the murder of Rogelio Bacus Estudillo and the prevention of more violence against election candidates and their supporters
